

CAREER OPPORTUNITY:	SURVEY TECHNICIAN
STATUS:	FULL TIME
LOCATION:	PRINCE GEORGE
SALARY:	\$34-45 / HOUR

Underhill Geomatics is a progressive land surveying firm with offices in Fort St. John, Kamloops, Burnaby, Comox, and Whitehorse. Operating since 1913, Underhill continues to provide technologically advanced, flexible, and efficient geospatial solutions for all our clients' needs within British Columbia, Yukon, Northwest Territories and Nunavut.

Underhill Geomatics is seeking **Survey Technician** for project activities in the Prince George area.

We provide comprehensive geomatics services to clients in Prince George and the surrounding areas. Our team has the privilege of partnering with a wide range of valued clients on projects of all sizes, from small-scale assignments to large, complex developments. Our expertise spans multiple survey disciplines, including land development, strata and air space surveys, topographic surveys, First Nations land surveys, engineering and infrastructure surveys, as well as industrial, mining, precision, and monitoring surveys.

Duties include:

- Perform topographic, layout, and as-built surveys
- Perform control and high-precision surveys
- Utilize Trimble GNSS, Robotic Total Stations, and 3D scanners for precise field measurements and data collection
- Conduct RPAS (UAV/drone) surveys, bathymetric surveys, and automated total station work with BCLS project managers
- Ensure accuracy and efficiency in data collection and processing

Requirements:

- Minimum of 3 years working at a survey tech level in the survey industry
- Experience with Trimble GNSS, Robotic Total Station, and 3D scanning is an asset but not required
- Advanced RPAS License, or ability to obtain, assistance provided
- Familiarity with TBC, Starnet, Civil 3D is an asset but not required
- Strong attention to detail and ability to work independently in the field
- A team player with excellent problem-solving skills

About the role and location:

We have a very experienced, educated and innovative team and are looking for a Professional Land Surveyor to help manage projects and provide guidance to our team. We support a positive, supportive, and collaborative environment that leans into innovation.

What we offer:

Underhill offers a benefits package commensurate with your experience, RRSP matching program, growth and mentorship opportunities, and a culture of excellence. Underhill prides itself on being a Professional, Passionate, Collaborative, and Innovative company. If these qualities describe you, we'd love to connect.

Underhill is a land surveying company, that is owned and operated by Professional Surveyors.

If you would like to be considered for this opportunity, please forward your resume and cover letter in confidence to Human Resources department (hr@underhill.ca) with the **Subject: Prince George Opportunities**. We thank all applicants for their interest; however, only short-listed candidates will be contacted.
