

CAREER OPPORTUNITY:	SURVEY TECHNICIAN
STATUS:	FULL TIME
LOCATION:	FORT ST. JOHN
SALARY:	\$100,000-\$135,000 ANNUALLY

Underhill Geomatics is a progressive land surveying firm with offices in Fort St. John, Kamloops, Burnaby, Comox, and Whitehorse. Operating since 1913, Underhill continues to provide technologically advanced, flexible, and efficient geospatial solutions for all our clients' needs within British Columbia, Yukon, Northwest Territories and Nunavut.

Underhill Geomatics is seeking **Survey Technician** for project activities in Fort St. John BC.

We provide Geomatics expertise to our client at the BC Hydro Site C Clean Energy Project. Our staff participates in an incredible variety of work.

Duties include:

- UAV/Drone Flights and Processing
- Laser Scanning
- Precision Control and Tunneling Surveys
- Laser Tracker Surveys (Leica AT403)
- Volume Analysis w/XML surfaces in Civil 3D
- Deformation Monitoring
- QA Survey Checks
- Hydrographic Surveying

Requirements:

- Effective communications skills, both verbal and written English
- Valid Driver's license required
- This role requires regular walking in brush and slopes, and the use of ladders and stairs.
- Regular lifting of 15kg of equipment is typical. On occasion, lifting of 20kg of equipment may be required.
- Ability and attitude to work and participate in a safety-conscious environment
- Applicants should be legally authorized to work in Canada

About the role and location:

We have a great crew, and great clients. Most importantly, staff experiences a massive variety of worksopes. Our crews may fly a drone, survey on the river and then laser-scanning underground in a day. Fort St. John is a growing, family oriented community where outdoor opportunity is abound. Camping, fishing, hunting and river boating at your doorstep.

What we offer:

Underhill offers an excellent compensation, benefits package commensurate with your experience, RRSP matching program, growth and mentorship opportunities, and a culture of excellence. Underhill prides itself on being a Professional, Passionate, Collaborative, and Innovative company. If these qualities describe you, we'd love to connect.

Underhill is a land surveying company, that is owned and operated by Professional Surveyors.

If you would like to be considered for this opportunity, please forward your resume and cover letter in confidence to Human Resources department (hr@underhill.ca) with the **Subject: Fort St John Opportunities**. We thank all applicants for their interest; however, only short-listed candidates will be contacted.
