

CAREER OPPORTUNITY:	PROJECT MANAGER
STATUS:	FULL TIME
LOCATION:	KAMLOOPS
SALARY:	\$80,000-\$150,000 annually

Underhill Geomatics is a progressive land surveying firm with offices in Fort St. John, Kamloops, Burnaby, Comox, and Whitehorse. Operating since 1913, Underhill continues to provide technologically advanced, flexible, and efficient geospatial solutions for all our clients' needs within British Columbia, Yukon, Northwest Territories and Nunavut.

As a **Project Manager**, you will be responsible for overseeing and managing survey projects from initiation to completion. You will lead a team of surveyors and support staff, ensuring project deliverables are met within budget, scope, and timeline. This position requires strong leadership, organizational skills, and a solid understanding of surveying principles and practices.

What we offer:

Underhill Geomatics Ltd. offers an excellent compensation package commensurate with your experience. We also offer a comprehensive benefits package as below and the opportunity to further develop your abilities working with a great team of professionals.

- Salary: \$80,000 to \$150,000 per year
- RRSP Matching Program
- Extended Health Package
- Health and Wellness Spending account
- Boot Allowance
- Professional Dues reimbursement (if applicable)

Responsibilities:

- Manage client relationships and communication
- Lead project planning and execution including scope, budget, schedule, safety, and risk; allocate resources and oversee team performance; ensure quality control and compliance; monitor financials and manage change orders
- Maintain documentation and reporting; drive continuous improvement

Requirements:

- Diploma or degree in surveying/ geomatics/civil engineering
- 3+ years project management experience in surveying or geospatial industry
- Strong surveying knowledge
- Ability to access job sites
- Valid Class 5 driver's license
- Ability to work outdoors

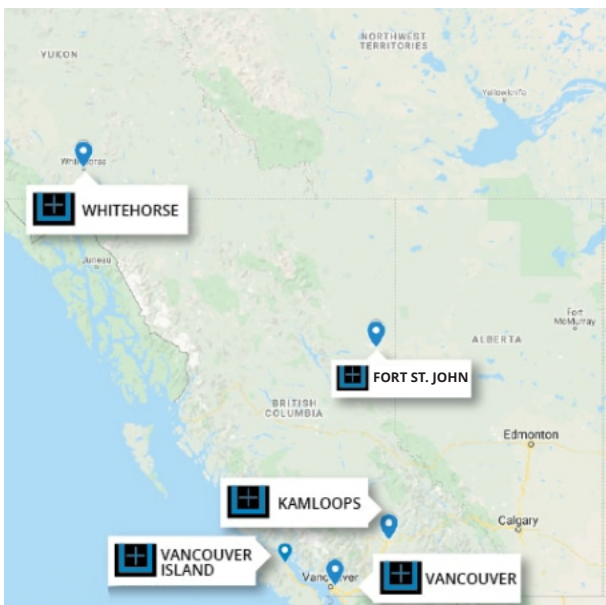

Skills:

- Professional designation (BCLS, CLS, PEng) an asset but not required
- Excellent communication
- Proven ability to manage multiple projects
- Strong organizational, analytical, and problem-solving skills
- Integrity and professionalism

If you would like to be considered for this opportunity, please forward your resume and cover letter to HR@underhill.ca with the subject Kamloops PM. We thank all applicants for their interest; however, only short-listed candidates will be contacted.
