

CAREER OPPORTUNITY:	SURVEY TECHNICIAN - Kamloops
STATUS:	FULL TIME
LOCATION:	KAMLOOPS
SALARY:	\$30-50 per hour

Underhill Geomatics is a land surveying firm with offices in Fort St. John, Kamloops, Burnaby, Comox, and Whitehorse. Operating since 1913, Underhill continues to provide technologically advanced, flexible, and efficient geospatial solutions for all our clients' needs within British Columbia, Yukon, Northwest Territories and Nunavut.

We are seeking a Survey Technician in the Kamloops region.

We provide Geomatics services to our clients in Kamloops and the surrounding regions. We work with many great clients on both large and small scales. We work with a variety of survey types including land development, strata and air space projects, topographic surveys, First Nations land surveys, engineering and infrastructure surveys, industrial, mining, precision and monitoring surveys.

What we offer:

Underhill Geomatics Ltd. offers an excellent compensation package commensurate with your experience. We also offer a comprehensive benefits package as below and the opportunity to further develop your abilities working with a great team of professionals.

- RRSP Matching Program
- Extended Health Package
- Health and Wellness Spending account
- Long-term Disabilities Benefits Package
- Boot Allowance
- Professional Dues reimbursement (if applicable)

Duties include:

- Performing Topographic, layout, and as-built surveys
- Performing control and high-precision surveys
- Utilizing Trimble GNSS, Robotic Total Stations, and 3D scanners for precise field measurements and data collection
- Conducting RPAS (UAV/drone) surveys, bathymetric surveys, and automated total station work with BCLS Project Managers
- Ensuring accuracy and efficiency in data collection and processing

Requirements:

- A team player with excellent problem-solving skills
- Experience with Trimble GNSS, Robotic Total Station, and 3D scanning is an asset but not required
Advanced RPAS License, or ability to obtain, assistance provided.
- Familiarity with TBC, Starnet, Civil 3D is an asset but not required
- Strong attention to detail and ability to work independently in the field

If you would like to be considered for this opportunity, please send your resume and cover letter in confidence to our Human Resources Department (hr@underhill.ca) | Subject: "Kamloops - SurveyTechnician".

We thank all applicants for their interest; however, only short-listed candidates will be contacted
